2.2 No terms or conditions endorsed on, delivered with, or contained on any correspondence, purchase orders or any other document received by the Buyer will form part of the Contract.

2.3 Following initial contact being made by the Buyer requesting that the Seller provides Goods, the Seller will prepare and provide to the Buyer the Quotation, setting out the Goods that are proposed to be supplied and the proposed Price. A Contract will only be formed between the Buyer and Seller upon payment in full by the Buyer of the Price specified in the Quotation to the Seller in cleared funds (unless the Seller agrees in writing, following approval of the quotation by the Buyer, that the Contract will be formed between the Seller and Buyer prior to the payment of the Price, whereby the Contract will be formed upon receipt by the Buyer of such written notice).

3 Drawing Confirmation

3.1 Following the formation of the Contract between the Buyer and the Seller in accordance with condition 2.3, the Seller will prepare and provide to the Buyer the Drawing Confirmation.

3.2 The Buyer will confirm in writing (although the Seller is entitled in its absolute discretion to accept oral confirmation of the same) to the Seller within a period of 24 hours from date of receipt of the Drawing Confirmation that the contents of the Drawing Confirmation are acceptable or not. In accepting the Drawing Confirmation, the Buyer is confirming that:

3.2.1 the measurements and specifications within the Drawing Confirmation are accurate and acceptable to the Buyer (subject to a tolerance of up to 5mm in any measurement); and

3.2.2 that the colours, materials and product range contained in the Drawing Confirmation are (subject to condition 7 and condition 8) acceptable.

3.3 If the Buyer does not confirm whether the Drawing Confirmation is acceptable or not under condition 3.2 within a period of 2 calendar months from the date of receipt of the Drawing Confirmation, the Seller shall be entitled (but shall not be obliged) to terminate any relevant Contract and the Seller shall (a) be entitled to raise an invoice and retain the sum of £50.00 plus VAT for each hour spent in preparing, discussing or amending the Drawing Confirmation and (b) will return the remaining part of the Price to the Buyer within 28 days of such notification to the same account to which the funds were originally received or (if paid by cheque) by cheque.

3.4 If the Buyer confirms to the Seller that the Drawing Confirmation is unacceptable and the reasons why it is unacceptable, the Seller will liaise with the Buyer with a view to amending the Drawing Confirmation (provided that the Seller has no obligation to complete such process within any set timescales). The Drawing Confirmation will be deemed to be accepted by the Buyer upon the Buyer indicating (whether orally or in writing) that the Drawing Confirmation is acceptable to the Buyer, provided that at any time until the Drawing Confirmation has been approved under this condition 3.4 the Seller can notify the Buyer that it is no longer able to provide the Goods in accordance with the required measurements, specifications, colours or materials, whereby (on receipt of such written notice) the Contract will be terminated and the Seller shall (a) be entitled to raise an invoice and retain the sum of £50.00 plus VAT for each hour spent in preparing, discussing or amending the Drawing Confirmation and (b) will return the remaining part of the Price to the Buyer within 28 days of such notification to the same account to which the funds were originally received or (if paid by cheque) by cheque.

3.5 The Buyer shall act in good faith in accepting or rejecting the Drawing Confirmation under condition 3.2 and 3.4 and shall respond to any correspondence or update Drawing Confirmations within 24 hours of receipt.

- 3.6 If the Buyer, during the discussions undertaken under condition 3.4, requests amendments to the Drawing Confirmation and such amendments increase the Price of supplying the Goods, the Buyer will advise the Seller of the same and the Price will be increased to take account of such increase and be binding upon the Buyer on approving the amended Drawing Confirmation, whereby the Buyer will immediately pay the Seller the amount of the increase.
- 3.7 If the Buyer indicates to the Seller that the Drawing Confirmation is acceptable then the Seller will commence ordering materials and manufacturing the Goods in accordance with the Drawing Confirmation and no variation to an Order or to the Drawing Confirmation can be made unless expressly agreed in writing (including any increase as to the Price) and executed by a duly authorised signatory on behalf of the Seller.
- 3.8 It is the Buyer's responsibility to:
- 3.8.1 ensure that all measurements and specifications contained in the Drawing Confirmation are accurate and/or in accordance with the Buyer's requirements and specifications;
 - 3.8.2 that the colours, materials and product ranges listed in the Drawing Confirmation are acceptable to; and

5 Credit limit

6 Delivery

- 6.1 (Subject to the provisions of condition 6.13) the Goods will be delivered by or for the Seller to the location agreed between the Seller and Buyer (which must be in the post code provided to the Buyer by the Seller which is listed on the Quotation) (**Delivery Location**).
- 6.2 The date for delivery will be (subject to the availability of subcontractors to deliver the Goods and the Buyer complying with its obligations under these Conditions) the date of delivery agreed between the Buyer and the Seller, provided that
- 6.2.1 the agreed date shall be an indicative date of delivery only and time shall not be of the essence in delivering any Goods under these Conditions;

- 6.5 The Goods may be delivered by instalments. Any delay in delivery or defect in an instalment will not entitle the Buyer to cancel any other instalment.

- 6.6 Each Acknowledgement of Delivery must be signed for by an authorised representative of the Buyer before they will be unloaded at the Delivery Location.
- 6.7 Deliveries of the Goods will be accompanied with/or by a delivery note stating:

- 6.8 It is the Buyer's responsibility to remove and dispose of all packaging used in the delivery of the Goods.
- 6.9 The Seller utilises subcontractors to deliver the Goods. Although the Seller can (on request of the Buyer) request that the relevant subcontract provides notice of the intended delivery time of the Goods at the Delivery Location, the Seller assumes no responsibility for any failure of the relevant subcontract to provide such notice and it remains the Buyer's responsibility to accept delivery of the Goods at the Delivery Location when the Goods arrive.
- 6.10 The Seller will not be liable for any delay in or failure of delivery caused by:
- 6.10.1 the Buyer's failure to: (i) make the Delivery Location available, (ii) prepare the Delivery Location as required for delivery of the Goods, (iii) provide the Seller with adequate instructions, for delivery or otherwise relating to the Goods or (iv) ensure someone is available at the Delivery Location to sign the Acceptance of Delivery; or
 - 6.10.2 an event of Force Majeure.
- 6.11 If the Buyer fails to accept delivery of the Goods, fails to make the Delivery Location available or fails to ensure an authorised signatory is present to sign the Acceptance of Delivery:
- 6.11.1 the Seller will store and (if the Seller deems appropriate) insure the Goods pending redelivery, and the Buyer will pay all costs and expenses incurred by the Seller in doing so;
 - 6.11.2 the Seller will not be obliged to attempt to redeliver the Goods unless specifically instructed to do so by the Buyer provided that such delivery date will (subject to the availability of subcontractors available to deliver the Goods) be such date as agreed between the Seller and the Buyer or (in the absence of agreement) a date approximately 5 Business Days after the initial attempted delivery.;
 - 6.11.3 the Seller will not be obliged to redeliver the Goods under condition 6.11.2 unless the cost of redelivery has been paid in full in cleared funds by the Buyer to the Seller.
- 6.12 If 10 Business Days after the initial attempted delivery the Buyer has not taken delivery of or collected them, the Seller may treat delivery as having taken place and resell or otherwise dispose of the Goods.
- 6.13 The Seller does not supply Goods to areas outside of the United Kingdom.

7 Colour

- 7.1 The proposed colour of the Goods (or any relevant part of the Goods) will be listed in the Drawing Confirmation. The relevant colour will have been selected by the Buyer from the websites from time to time operated by the Seller. Consequently the colours shown on such website may look different on an electronic screen to how they appear on the Goods. The Seller offers free colour samples that can be obtained on request. It is the Buyer's responsibility to make such a request and to check that the Buyer is happy with the selected colour with reference to the sample and not an electronic screen. The Seller will have no liability whatsoever if the Buyer is unhappy with the colour selected.
- 7.2 From time to time the colours offered by the Seller may be discontinued by the suppliers of the Seller. In such circumstances the Seller will, in its absolute discretion, either:

8.2.2 seek to obtain the same material from an alternative supplier.

9 Fitting

9.1 It is the Buyer's responsibility to ensure that the Goods are installed at the required location and the Seller will have no liability whatsoever to the Buyer including (but not limited to) any liability for:

It remains the Buyer's responsibility to ensure that the Goods are installed in the correct manner, in the correct location, using the correct techniques regardless of the content of such fitting guides. The Seller gives no warranty regarding the accuracy or effectiveness of such guides and provides such guides without any liability to the Buyer whatsoever.
